

Kerala Professional Tax

Government levies Kerala professional tax on salaried individuals working in Government or Non-Government entities or any profession, including Chartered Accounts and Lawyers or persons carrying out some form of business. Kerala Government has conferred the power of leveling professional tax under the Kerala Municipality Act, 1994. The professional tax rates are based on the Income slabs set by the State Government. The total professional tax paid during the year is allowed as a Deduction under the Income Tax Act. This article will look at the Kerala Professional Tax in detail.

Kerala Municipality Act

As per the Kerala Municipality Amended Act, 2015, all employees who are drawing a half-yearly salary of more than Rs. 12,000 must pay Kerala professional tax. This tax is to be paid to the respective municipal corporation in which the company or firm is situated. The professional tax slab is mentioned in the below table.
